Christmas is one of the most widely celebrated Christian festivals all around the world. Christmas season is a season of love, generosity, kindness, happiness and laughter. It is a season when everyone comes together in celebration for the almighty.

Keeping the Christmas spirit in mind a special assembly was organized by the primary students and teachers on 21st Dec'17. Carols and hymns were sung in praise of Jesus Christ. Dance performances by Primary students left everyone foot tapping. A short skit on the birth of Jesus Christ was also enacted.

The Pre-primary wing had their share of Christmas celebrations on 22nd Dec'17. The dress code for the day was red and white. The presence of Santa created a lot excitement and joy among the little ones. Principal Ma'am Kavita Tandon appreciated the efforts of the children and the teachers for such a wonderful show. Sweets were distributed to the little ones.
