

PRE PRIMARY EDUCATIONAL VISIT

The Pre Primary students of Welspun Vidya Mandir went on a short and enjoyable educational trip designed to provide experiential learning beyond the classroom. The trips were carefully planned to help young learners explore their surroundings while learning through fun and practical activities.

On **5th February 2026**, the **LKG students** visited the Welhome Club House and Box Cricket area. During the visit, the children explored the gym and participated in various indoor and outdoor games. The activities encouraged physical fitness, teamwork, and confidence, making the experience both educational and entertaining for the students.

On **6th February 2026**, the **Play House** students visited the Welspun Temple, where they experienced a calm and peaceful environment and learned about respect, discipline, and cultural values.

On the same day, the **UKG** students visited Welspun Mart as part of a practical learning activity. They observed different items and groceries and learned about shapes, sizes, weight, and the billing process. This visit helped them understand basic mathematical and life skills in a real-world setting.

The educational trips were a wonderful learning experience for all the students, combining fun with knowledge and creating memorable moments for the young learners.

Welspun Vidya Mandir sincerely appreciates the generous support extended by Brig. M Karthikeyan, Major Roshan Pokhrel, Mr. Manimaran, Mr. Bijal Suthar and Mr. Mashru Rabari which ensured in a seamless and enriching educational experience for the little ones.
