

EDUCATIONAL VISIT

The Class IX students of Welspun Vidya Mandir went on an educational visit to Kandla Airport on 8th January 2026, during school hours. The students reached the airport as per schedule.

The visit was organised to give students first-hand exposure to airport operations and to enhance their understanding of aviation-related procedures and careers.

During the visit, students observed various sections of the airport and learned about security measures, aircraft handling, and the functioning of different airport departments.

The respective class teachers accompanied the students and ensured discipline and safety throughout the trip. The students returned to school enriched with valuable knowledge and an enjoyable learning experience.

A report from Welspun Vidya Mandir
