A Free Eye checkup camp was organized by Jupiter Foundation, Gandhidham at W.V.M on 1st and 2nd September, 2023 for the teaching and non-teaching staff of the school. The checkup also included the school maintenance staff, bus drivers and conductors. The checkup was conducted by Mr. Pradeep Bhanushali and team. He took the initiative to motivate and create awareness about the protection and importance of eyes. Teaching and non-teaching staff were all informed about the eye check-up camp and they turned up in good numbers for the checkup. A big thank you to Dr. Yajurvendra Zala and his team member Ajitsinh Bariya from Welspun Health Centre for taking up this initiative for the teaching and non-teaching staff.
