

LABOUR DAY CELEBRATION

A special assembly was organized by the students of Grade XII on 3rd May 2025 at the Welspun Memorial to celebrate Labour Day with great enthusiasm and gratitude. The program commenced with a soulful and inspiring prayer by the school choir, setting a respectful and reflective tone for the event.

Students of Grade V A captivated the audience with a graceful dance performance aligned with the theme of the day, which was warmly appreciated by all present. A vibrant dance by the girls of Grade XII added energy and color to the celebration, further uplifting the spirit of the occasion.

Under the guidance of Sir Bhavin Soni, the students of Grade XII performed a motivational play to honor the invaluable contributions of the school's support. Additionally, Grade V-B presented a meaningful skit that emphasized respect and recognition for the 'helping hands' of the school. A heartfelt song by Shamji Bhai brought happiness and excitement to the event.

The young Welspunites, along with the teaching staff, paid sincere respect to the school's maintenance team — including peons, sweepers, maids, drivers, and conductors. As a gesture of appreciation, they were felicitated with thoughtful gifts purchased through a small contribution of Rs. 30 from each student and teacher. These useful gifts symbolized the collective gratitude of the Welspun family. A big thank you to Sukanya Pillai and Pooja Nigam for making all the arrangements.

Principal Ma'am Kavita Tandon addressed the gathering and highlighted the essential role these dedicated individuals play in the daily lives of students and staff alike. Ma'am thanked the helping hands of the school for their constant support and efforts.

The celebration concluded with smiles of joy and deep satisfaction on the faces of the maintenance staff, truly making the day meaningful and memorable.
