

## **REPUBLIC DAY CELEBRATIONS**

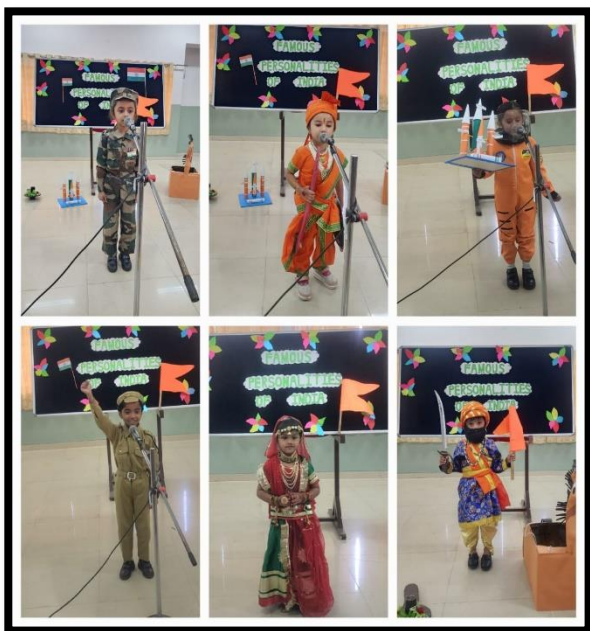

### **PRE PRIMARY & PRIMARY**

A special assembly was organized by the students of Grade V E on the 25th of January, focusing on the theme of Republic Day.

During the assembly, students delivered a heartfelt mime on the bravery of Indian soldiers, emphasizing the significance of the occasion. Additionally, the girls of V E showcased their talents by presenting a classical dance performance, beautifully weaving the theme of patriotism into their graceful movements.

A fancy dress competition centered around the theme "Famous Personalities of India" was organised for the students of LKG. The students showcased their creativity by dressing up as various influential figures. The diverse array of characters, including Kalpana Chawla, Shreya Ghoshal, Rani Padmavati, Mr. Narendra Modi, Baba Ramdev, Virat Kohli, and several freedom fighters, contributed to the event's vibrant atmosphere. The competition provided an engaging platform for students to learn about and represent these notable personalities, fostering both educational and imaginative development.

The combination of the fancy dress competition and the Republic Day assembly created an enriching and patriotic atmosphere for both learning and celebration at the school.

The rank holders of Unified Cyber Olympiad were awarded with certificates and medals in the assembly.
