

SWACHH ABHIYAN

Hon'ble Prime Minister Shri Narendra Modi has launched 'Swachhata Hi Seva Movement', The movement aims at fulfilling Bapu's dream of a Clean India.

To re-dedicate ourselves towards fulfilling Bapu's dream of Clean India", the students of Grade VI of Welspun Vidya Mandir participated in the Mega Cleaning Drive organised by Welspun CSR team.

This campaign is another effort to enlighten the school children, regarding hygiene and keeping the environment & surroundings

clean. The students were taken to Anjar Toral pond to clean the surroundings. Brig. Wahi Sir, Principal Ma'am Kavita Tandon, the CSR & HR team and the school staff accompanied the students.

We are grateful to our parent & CSR Team member, Ms. Ruchi Trivedi for having organised this event and involving our students in this awareness program.

On 29th Sept'18, the Angikam Theatre group from Bhuj Akash Vani performed a Nukkar Natak for the students & staff of W.V.M to give them the message of keeping the environment clean. They involved the audience and kept them engaged through their very creatively designed comical script.

A Report from W.V.M.
