

EDUCATIONAL SESSION

A Civil Defence Awareness Session was successfully organized on 28 June 2025 at the Welspun Memorial. The session aimed at enhancing disaster preparedness and risk reduction awareness.

It was attended by around 80 students of Classes VIII, IX, and X from Welspun Vidya Mandir, along with their Social Science teachers. The session was led by Mr. Chirag Bhatt, a certified civil defence trainer, and Mr. Rohit Thacker, a Civil Engineer and co-instructor.

The session included a hands-on CPR demonstration conducted by expert trainer Mr. Manu Bhai, giving the audience practical life-saving skills. A special segment was presented by NDRF officials, where Inspector Basant guided everyone on how to respond to natural calamities like earthquakes and cyclones.

Col. Neeraj Sharma further elaborated on various safety protocols and emergency response measures. The program concluded with a vote of thanks delivered by Col. Neeraj Sharma, appreciating the enthusiasm of the participants and the efforts of the organizing team.

The session proved to be highly informative and empowering, reinforcing the importance of readiness and resilience in times of crisis.
