

## VISIT TO OLD AGE HOME

'Respecting and caring for our elders' is one of the most important values inculcated in the students at W.V.M. In the light of the same, students of Grade XI and XII accompanied by their teachers visited an Old Age Home and Girlsorphanage called Karunavihar Kanya Sadan in Adipur, on Sunday, 29th July'18.

The main objective of this trip was to sensitize students to the predicaments and problems faced by aged people and to become aware of the joy of serving and being with the aged and realise how blessed they are to have parents who care for them.

The inmates, though old and feeble, gave the children a warm welcome with their beautiful smiles. To break the monotony some of the students sang songs and recited poems. These were appreciated by them.

The students became aware of the apathy that surrounds the old people with children not taking out the time to take care of them. As some of them shared their stories, the students got emotional. The W.V.M group donated bedsheets to them.

Our students gave the elderly people a few moments of joy but came back with a life time experience.

Truly said, 'Opportunity, Words and Loved Ones – once gone will never come back.'
