

VISIT TO VED VIDYALAYA

It is always fun to take a break from our daily routine and do something different, especially something that we enjoy. Keeping this in mind the students of Grade III and Grade V of W.V.M were taken to Ved Vidyalaya for a recreational trip on the 20th and 21st of April '22 during regular school hours. Ved Vidyalaya was born out of the idea of protecting and promoting the Indian traditional Vedic culture.

The students were taken around and explained about the school. They visited the temple and the 'Havan kund' and said a special prayer together. The little ones had a great time with their friends and their teachers. WVM is thankful to the Management of Welspun for giving our students permission to visit this incredible place. A special word of appreciation and gratitude to Mr. A.K. Joshi, Col. J. Chaudhary, Col. Arun Saraf, Ms. Veena Joshi and the Ved Vidyalaya Guruji.

A Report from W.V.M.
