*I hear and I forget. I see and I remember. I do and I understand.*

The Annual GMAD Exhibition 'Pradisha' was organized by the students of classes VI – XII on the 21<sup>st</sup> Oct'22. The program was inaugurated by the Chief Guest for the day Mrs. & Col. Chaudhary. Other Dignitaries who graced the occasion were Mr A. K. Joshi Director, Business Head & Plant Head of Anjar, Principal of Gayatri Devi Public School, Ma'am Nisha Tandon, Principal of St. Thomas School, Ma'am Neelima Charan and Principal of Pearl School of Excellence, Ma'am Preeti Vaswani.

The Program began with the welcoming of the guests followed by the ribbon cutting ceremony by the Chief Guest Col. Chaudhary.

Keeping with the current trend in education, children at W.V.M. are encouraged to learn through projects and experiments in order to provide limitless opportunities for the creative minds. The number of participants was considerable as students from various classes were actively involved in this exhibition.

Distinct venues were allotted for the different departments to display their projects, talent and creativity. As one entered the Reception area itself, one could feel the pulse and the magnitude of the event. The entire school was abuzz with activity.

GMAD stands for Games, Music, Art and Dance. The guests were a witness to some wonderful events presented by each department.

The mega event commenced with the Sports Department showcasing their energy through various active and lively performances. The students demonstrated the use of dumbbells in a unique way. The rhythmic aerobics and breath taking pyramid formations were appreciated by all.

Creativity at its best was seen in the Arts Department. The artistic work of the children was displayed in a wonderful manner. From making jewellery, dolls, wall hangings, flowers, to making their own designs on bottles and ceramics; from pencil shading, glass painting, stitching and embroidery to tile painting and block designing, this exhibition was full of incredible art work done by the students under the guidance of their respective teachers. The centre of attraction was the Cardboard Art Section wherein the displayed furniture was made entirely out of recycled cardboard boxes. The guests appreciated the recycled cardboard artwork not only for its layout but also for its durability.

**Music binds our soul, heart and emotions. It cheers the spirit and lightens the heart. This was proved true by the young musicians of WVM. The Bhimpalasi raga pulled the heartstrings of the audience.**

**The vivacious dances from the Dance Department set the floor on fire with their graceful performances and this was a reflection of their passion and hard work. The dance forms of different states were performed in the most amazing and incredible manner. The choreography, rhythm, synchronisation and presentation of all the students were praiseworthy. The dances dressed in colourful costumes, twirled around and left everyone foot tapping with their mesmerising performance.**

**We wish to thank, Gayatri Devi Public School and Amarchand Singhvi International School for taking out time and sending their students and teachers to witness the exhibition.**

**A big thank you to all the parents who have always been very supportive in all the events held at school and hats off to all the incredible teachers and students who came together to make this event a grand success.**
