

GANESH CHATURTHI CELEBRATIONS

Ganesh Chaturthi is observed to offer invocation to Lord Ganesha, who is widely revered as the God of intellect and wisdom and the remover of all obstacles.

On 30 August 2022, the little ones of the Pre-Primary Section of WVM celebrated Ganesh Chaturthi with much fun and fanfare. The beautifully bedecked Lord Ganesha was carried in a procession by the excited students amidst cheers of "*Ganpati Bappa Moriya!*". The resplendent parade of 'devotees' carrying aloft their eco-friendly Lord Ganesha drew admiring looks as it made its way through the School corridors to the assembly area.

The assembly commenced with an Aarti by the students of UKG B. An amazing dance by the students of UKG C to the popular song “Oh my friend Ganesha” left everyone foot tapping. The students of UKG A presented a skit depicting the story of Lord Ganesha. Shlokas were chanted by the students of LKG A.

It was a joyous morning for students and teachers alike as they came together to celebrate one of India’s most popular festivals amidst excitement and entertainment. The students enthusiastically and artistically engaged themselves in various activities. A Colouring Competition was organised for the students of LKG.

The dress code for the day was yellow / orange colour.
