

PRE PRIMARY NAVRATRI CELEBRATIONS

Navratri festivities got underway at Welspun Vidya Mandir with amazing zeal to celebrate the nine day long festival.

A special assembly was organised for the Pre-Primary students on 30 September '22. The little ones came dressed in traditional *Garba* and *Dandia* attire which was a visual treat for everyone. The positive energy exuberating out of the colourful costumes, combined with the enthusiasm of dancing to the *Dandia* folk songs made the entire program extremely successful and fruitful. An informative skit on the story of Mahishasur and why Navratri is celebrated was enacted by the little ones.

The icing on the cake for the children was when the teachers joined in the festivities and and played Garba with them. The students went back thrilled to revel in the festive season at home.

Various activities were conducted in all the Pre- Primary classes.

We wish all our students and their loved ones a very happy and prosperous festive season.
A Report from W.V.M.
