

YELLOW DAY CELEBRATION

The students of the Pre-Primary wing of W.V.M celebrated 'Yellow Day' in the school premises on 5th May 2023. The children came to school dressed in yellow outfits. A special assembly was organised on this occasion. The main objective of this celebration was to make the students identify yellow colour. The students were asked to bring an object of this colour which would help them to understand and identify the colour in a better way. The teachers were dressed in yellow too.

To teach the concept of yellow, bulletin boards were decorated with yellow articles. The children were looking very cute and helped in creating a happy atmosphere. The classes had organized different activities related to this colour. The students of LKG S and UKGS had a lemonade party. The students enjoyed the exciting change.
