

WELSPUN VIDYA MANDIR, SALAV

CELEBRATION OF TEACHER'S DAY

I don't invent a machine, I create an inventor.

I don't discover a planet, I discover an explorer.

I don't put life in a body, I make a body a human being.

I don't battle with enemies, I eradicate ignorance.

I don't build a tower, I build a nation.

I am proud to be a Teacher!

The teaching fraternity WVM, assimilating the same attitude, shoulder the noble responsibility of mentorship as our passion rather than taking it as a profession. However, for keeping alive this fortitude and pizzazz, we celebrate Teacher's day year after year with great ardour and commitment.

As per the custom, the event commenced with the lamp lighting ceremony and commemorating Sarvapalli Radhakrishnan's birth anniversary followed by a candle lighting rite in the sweet memories of late Sanjoli Chauhan (student). Subsequently, the students and teachers wished the Principal, Mr Ravinder Rana 'Happy Birthday' in a remarkable way.

This teacher's day was entirely organized by the students of Classes IX to XII. In a way it was a token of love and affection by the students to their dear teachers. They cheered the teachers with their incredible hospitality and made everyone roll with hilarious laughter and with their histrionics. Besides, their melodious songs and a charismatic dance performance attached a golden border to the spectacular stage.

On the occasion, the Principal, Mr Ravinder Rana appreciated the efforts of the teachers emphasizing how their contribution makes a difference in society. Similarly, Mr P K Gokroo marked his gracious presence in school by motivating teachers to do their best.

After the refreshment offered by the students, the staff enjoyed a sumptuous banquet at a restaurant organized by the Principal. The relief from a hectic schedule could be seen on the illuminating faces of the teachers who enjoyed every iota of time spent in great camaraderie with fellow teachers.

Post lunch, the school arranged the live telecast of PM, Narendra Modi's speech and interaction with students between 3pm and 5pm on the same day.
