

# CLASS PICNICS V & VIII

The students of **Classes V and VIII** enjoyed a refreshing break from their studies with an exciting visit to **Ashapura Water Park**. The trip for **Grade VIII** was organized on 18 April 2026, followed by **Grade V** on 21 April 2026.

The trip aimed to provide students with relaxation and recreation after their academic schedule, while also encouraging bonding and teamwork among peers.

Accompanied and escorted by their respective class teachers, the students had a safe and well-organized trip. They enthusiastically participated in various water rides and fun activities, making the most of the experience. The joyful atmosphere, laughter, and excitement were evident throughout the day as students interacted freely and created happy memories with their friends.

The outing proved to be a delightful and rejuvenating experience for all. It offered students a perfect balance of enjoyment and togetherness outside the classroom. The trip concluded smoothly, with students returning home refreshed and cheerful.
